1,401,010 It is seen that the area of Kansaa is nineteen thousand square miles greater than that of all New England, New York, and New Jersey; and that the area of Nebraska is ninely five thousand miles greater than that of all the non-slaveholding states except California. Oregon is nearly equal in extent to all New Englant, New York, Pennsylvants, Ohio, and Indiana. It is possible that New Mexico and Meeilla will be embraced in one territorial organization by tongress at the present session, containing 288,000 square under—exceeding all New England, New York, Pennsylvania, dollo, Indiana, and Illinots. Washington exceeds in extent all New England, New York.
